

NSW OTA NON EXECUTIVE COMMITTEE MEMBERS

The OTA non-executive member role expands the opportunity for NSW OTA members who are interested in taking on specific tasks/responsibilities to assist the OTA executive teams.

This opportunity is open to all members from any NSW and/or ACT Zone.

You are not required to attend the monthly executive meetings; you are invited to join the monthly teleconference of your assigned team.

If you are interested in a NSW OTA non-executive role, and have skills that can be utilised for specific tasks, please contact Michelle Berarducci on info@ota.org.au for further information.
